Education

M.A., Speech-Language Pathology, The George Washington University, Washington, D.C., May, 1991

B.S., Speech and Hearing Science, minor: Psychology, State University of New York at Plattsburgh, Plattsburgh, New York, Cum Laude, May, 1989

Board Certification/Licensure

Certificate of Clinical Competence, Speech-Language Pathology, American Speech-Language-Hearing Association, 1992

Washington, D.C. license number SLP000014, issued 01/01/2011

Experience

June 2024-Present **Clinical Full Professor, Department of Speech, Language and Hearing Sciences, The George Washington University, Washington, D.C.,**

August 2000-Present **Director of Clinical Education, Clinic Director, Department of Speech, Language and Hearing Sciences, The George Washington University, Washington, D.C.,** responsible for overseeing Speech-Language Pathology and Audiology clinics; budget management; responsible for performance evaluations of all professional and administrative staff; supervision of six teaching assistants and one work study student; maintenance of all ASHA and CAA re-accreditation standards in clinical setting; member of curriculum review committee; Professorial Lecturer for annual graduate level Clinical Procedures course; clinical supervisor for Adult Neurogenic Disorders Track ; Chair, SPHR Admissions Committee

- January 2000-June 2024 **Professorial Lecturer, Department of Speech, Language and Hearing Sciences, The George Washington University, Washington, D.C.**
- April 1992 – August 2000 **Assistant Director, Outpatient Head Injury Clinic, Speech-Language Pathologist, Defense and Veterans Head Injury Program, Walter Reed Army Medical Center, Washington, D.C.**, diagnostic and therapeutic experience with traumatic brain injury patients, Rancho Levels II. - VIII.; development of pilot test batteries for Rancho Levels II. - VI. Active research productivity within DVHIP. Additionally, routinely saw patients for dysphagia, including clinical, fluoroscopic and endoscopic evaluations; head and neck cancer populations, to include total laryngectomy, tracheoesophageal, electrolaryngeal and esophageal speech needs; tracheostomy tube/ ventilator dependent patient's communication and swallowing issues; as well as walk-in clinic, including all populations
- May 1991 - April 1992 **Speech-Language Pathologist/ Clinical Fellowship, Army Audiology and Speech Center, Walter Reed Army Medical Center, Washington, D.C.**, diagnostic and therapeutic experience, working primarily with the Neurology, Neurosurgery, Otolaryngology, Radiology, General Medicine and Physical Medicine and Rehabilitation services

Membership in Professional Organizations

American Speech-Language-Hearing Association, Rockville, MD
 Special Interest Division 10, Issues in Higher Education, ASHA
 District of Columbia Speech-Language-Hearing Association
 Cognitive Neuroscience Society, Duke University, Durham, NC

Honors and Recognitions

Invited session selected as a **Visionary Session** (150/3,300 selected), Alexander, D., Augustine, R., **Bamdad, M.**, Curtis, K., Easley, M, et al. Men in ASHA, AAA, CAPCSD, NBASLH, and NSSLHA Collaborate to Elevate Gender Diversity, American Speech-Language Hearing Association Annual Convention, Seattle, WA, December, 2024.

Nominated for 2024 CCAS Staff Appreciation Award, The George Washington University

Celebration of Excellence Faculty Teaching Award Finalist, The George Washington University, 2013.

Department of the Army, Certificate of Achievement, award for readiness of Joint Commission Inspection of Walter Reed Army Medical Center, 1996

Grant History

Co-Investigator, *Development of authentic avatars for clinical education in stuttering*. Speech, Language, and Hearing Sciences Seed Grant, \$18,472. The George Washington University.
My Responsibilities: Assisted with grant writing and IRB application. Developed procedures for infusing avatars into SLHS clinical education. Assisted with participant recruitment and manuscript writing. Awarded June 2024.

Co-P.I., Cognitive Rehabilitation of Executive Dysfunction after Traumatic Brain Injury Utilizing Telemedicine Technology, Department of the Army at Fort Dietrich, Department of Clinical Investigations, Submitted/not funded January 2003.

Co-Investigator, Neurobehavioral Sequela Following TBI in Violent Offenders on Death Row at Leavenworth Military Prison, Department of the Army, Department of Clinical Investigations, Submitted/not funded January 1999.

Co-Investigator, Protocol WU# 7144: A Controlled Efficacy Study of a Brief Multidisciplinary Brain Injury Rehabilitation Program in Moderately Head Injured Service Members, Awarded July 31, 1992, Department of the Army, Department of Clinical Investigations, P.I. Andres Salazar

Co-Investigator, Protocol WU# 7154: Defense and Veterans Head Injury Program (DVHIP): WRAMC Core Evaluation Protocol, Awarded August 31, 1993, Department of the Army, Department of Clinical Investigations, P.I. Deborah Warden

Bamdad, M., Annual lectures to incoming residents on dysphagia, TBI and tracheostomy tube/ventilator patients relating to Speech-Language Pathology services, Walter Reed Army Medical Center, Washington, D.C., 1993-1999.

Courses Taught

Graduate:

Cognitive-Linguistic Management of Traumatic Brain Injury Patients (created)
The Aging Brain (created)
Clinical Procedures (created)
Applied Neurology (created)
Clinical Practica/Supervision

Student Advising

Graduate students, The George Washington University, SPHR, 2001-present
Incoming graduate students (admission to end of summer), GWU, SPHR, 2007-present
Graduate students, The George Washington University, SPHR Clinical advising, 2000-present
Undergraduate students, The George Washington University, SPHR seniors, 2012-1014

Supervisory and Coordinator Experience

2000-Present Clinic Director, The George Washington University Speech and Hearing Center
2000-Present Clinical Supervisor, Neurogenic Communication Disorders Track, GWU
1999-2000 Assistant Director, Outpatient Head Injury Clinic, DVHIP
1997-2000 Fiberoptic Endoscopic Evaluation of Swallowing Clinic Coordinator, WRAMC
1996-2000 Tracheoesophageal Puncture Prosthetic Lab Coordinator, WRAMC
1996-1998 Speech Pathology Professional Journal Group (monthly) Coordinator, WRAMC
1995-1999 Speech-Pathology Clinic Patient Rounds Coordinator, WRAMC
1995-1999 Dysphagia Quality Improvement Task Force Team Leader, WRAMC
1995-1998 Primary Supervisor for Clinical Fellows (CFY's) for three years, WRAMC

1992-2000 Primary Supervisor for multiple SLP graduate students and Rehab. Asst.,
WRAMC/DVHIP
1991 Monthly Voice Clinic Coordinator, WRAMC

Faculty Mentorship

I have served as the mentor to all GWU SPHR departmental clinical faculty hires since 2000. This includes covering issues such as clinical supervision guidelines, course development, methods of assessing student learning, dealing with problematic student behavior, interpreting student evaluations and providing a format for peer evaluations of teaching.

I also perform “informal” mentorship roles with other faculty members in our department.

Student Research Supervision

Master’s Theses

Employment Outcomes of Individuals with Autism Spectrum Disorder (ASD): Effects of Work Readiness and Executive Functioning Skills, Committee Member, Student: Sanjana Jayaram, The George Washington University, 2020-2021.

Learning To Lie: An Investigation Into Deception Detection Abilities with TBI and Neurotypical Adults, Co-Advisor (Brundage), Student: Julie Goldberg, The George Washington University, 2018-2019.

Pragmatic Language and its relation to Executive Functioning, Adaptive Functioning and Attention-Deficit/Hyperactivity Disorder in Children with Autism Spectrum Disorder, Committee Member, Student: Kellie Iletto, The George Washington University, 2015-2016.

Conflict adaption between Stroop and sentence comprehension: An eye tracking study, Committee Member, Student: Christine Asaro, The George Washington University, 2015-2016.

Assessing Judgment Bias and Response Cost in Adults who Stutter, Committee Member, Student: Katie Winters, The George Washington University, 2014-2015.

Causal Relations Between Executive Function and Sentence Processing, Committee Member, Student: Katherine O’Connor, The George Washington University, 2014-2015.

The Role of the Left Inferior Frontal Cortex in Resolving Syntactic-Semantic Conflict: A Neuropsychological Study, Committee Member, Student: Hillary Gray, The George Washington University, 2013-2014.

Influence of Communication Partners Gender on Speakers Language, Committee Member, Student: Benjamin Rubin, The George Washington University, 2012-2013.

Articulatory Dysfunction in Parkinson's Disease, Committee Member, Student: Amy Dubrule, The George Washington University, 2002-2003.

Correlation of Pragmatic Abilities on Tests of Executive Functioning After Traumatic Brain Injury, Thesis Advisor, Student: Gavin Craig, The George Washington University, 2000-2001.

Graduate Independent Studies

Perception of Lying and Sarcasm in Neurotypical Adults, Co-Advisor, Student: Maria Garber, SPHR, The George Washington University, 2022-2023.

Neurotypical Pragmatics Treatment Group, Advisor, Student: Jenna Erdogan, SPHR, The George Washington University, 2020-2021.

Comprehending Insincerity: A Study on Lies and Sarcasm Interpretation in Normal Subjects, Co-Advisor (Brundage), Student: Denis Kotsoev, SPHR, The George Washington University, 2018-2019.

Comprehending Insincerity: A Study on Lies and Sarcasm Interpretation in Normal Subjects, Co-Advisor (Brundage), Student: Kelly Jones, SPHR, The George Washington University, 2017-2018.

Perception of Pragmatic Based Communication Differences between Self-identified Heterosexual and Homosexual Males, Advisor, Student: Michael Ferguson, SPHR, The George Washington University, 2017-2018.

Deficits in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Eleni Ziogas, SPHR, The George Washington University, 2016-2017.

Deficits in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Whitney Mislock, SPHR, The George Washington University, 2015-2016.

Deficits in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Shelley Frenkel, SPHR, The George Washington University, 2015-2016.

Follow-up Assessment and Informal Diagnostic Development in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Jordan Sender, SPHR, The George Washington University, 2014-2015.

Assessment and Treatment of Deficits in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Samantha Shepard, SPHR, The George Washington University, 2013-2014.

Assessment and Treatment of Deficits in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Mandi Woods, SPHR, The George Washington University, 2012-2013.

Treatment Design for Social Cognition Rehabilitation, Advisor, Student: Gina Caputo, SPHR, The George Washington University, 2011-2012.

A Case Study Design of Sarcasm Interpretation Post TBI, Advisor, Student: Hillary O'Sullivan, SPHR, The George Washington University, 2010-2011.

Undergraduate Independent Studies

PBCAT Training: Does it Improve Accurate Detection of Social Lies, Student: Godshalk, M., Co-Advisor (Brundage), SLHS, The George Washington University, 2023-2024.

Diagnostic Procedures with TBI Patients Via Tele-Rehabilitation, Co-Advisor (Schulz), Student: Sasha Paul, SPHR, The George Washington University, 2018-2019.

Deficits in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Emily Corbett, SPHR, The George Washington University, 2015-2016.

Deficits in Social Perception Following TBI: Lying and Sarcasm Interpretation, Advisor, Student: Rebecca Goldenberg, SPHR, The George Washington University, 2015-2016.

Graduate Volunteer Research

Perception of Lying and Sarcasm in Neurotypical Adults, Co-Advisor, Student: Maria Garber, SPHR, The George Washington University, 2022-2023.

Neurotypical Pragmatics Treatment Group, Advisor, Student: Jenna Erdogan, SPHR, The George Washington University, 2020-2021.

Comprehending Insincerity: A Study on Lies and Sarcasm Interpretation in Normal Subjects, Co-Advisor (Brundage), Student: Denis Kotsoev, SPHR, The George Washington University, 2018-2019.

Comprehending Insincerity: A Study on Lies and Sarcasm Interpretation in Normal Subjects, Co-Advisor (Brundage), Student: Kelly Jones, SPHR, The George Washington University, 2017-2018.

Perception of Pragmatic Based Communication Differences between Self-identified Heterosexual and Homosexual Males, Advisor, Student: Michael Ferguson, SPHR, The George Washington University, 2017-2018.

Social Cognition Post TBI, Student: Eleni Ziogas, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Michelle Onwochei, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Caitlin Mebs, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Tayler Corcoran, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Katherine Winters, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Lindsey Byom, Post-Doc from Walter Reed National Naval Medical Center, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Carla Traub, SPHR, The George Washington University, 2013-2014.

Social Cognition Post TBI, Student: Virginia Terwilliger, Counseling Dept. , The George Washington University, 2012-2013.

Undergraduate Volunteer Research

PBCAT Training: Does it Improve Accurate Detection of Social Lies, Student: Godshalk, M., Co-Advisor (Brundage), SLHS, The George Washington University, 2023-2024.

TBI Patients Via Tele-Rehabilitation, Co-Advisor (Schulz), Student: Sasha Paul, SPHR, The George Washington University, 2018-2019.

Social Cognition Post TBI, Student: Julie Goldberg, SPHR, The George Washington University, 2016-2017.

Social Cognition Post TBI, Student: Julie Goldberg, SPHR, The George Washington University, 2015-2016.

Social Cognition Post TBI, Student: Emily Corbett, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Jennifer Kaufman, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Rebecca Goldenberg, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Emily Thompson, SPHR, The George Washington University, 2014-2015.

Social Cognition Post TBI, Student: Katherine Winters, SPHR, The George Washington University, 2013-2014.

Service to the University/Profession

NSSLHA GW Student Association, Graduate Admissions Panel, lead speaker, Fall 2024.

Development of GA Intelligibility Training Program, CCAS, The George Washington University. Summer, 2024.

Clinic Director Academy Development, Council of Academic Programs in Communication Sciences and Disorders (CAPCSD) Committee, appointed member, 2023-2025.

ASHA Convention: 2024 Supervision and Precepting Topic Committee, appointed committee member, 2023-2024.

Consultant for Conference Planning Committee, charged with redesigning the Council of Academic Programs in Communication Sciences and Disorders (CAPCSD) National Conference, 2023-2025.

ASHA Convention: 2023 Models of Academic and Clinical Education Topic Committee, appointed Topic Co-Chair, 2022-2023.

Council of Academic Programs in Communication Sciences and Disorders (CAPCSD) Board of Directors, Past-President, 2022-2023.

NSSLHA GW Student Association, Graduate Admissions Panel, lead speaker, Fall 2023.

Council of Academic Programs in Communication Sciences and Disorders (CAPCSD) Board of Directors, President, 2021-2022.

Council of Academic Programs in Communication Sciences and Disorders (CAPCSD), elected to the Board of Directors, President-Elect, 2020-2021.

NSSLHA GW Student Association, Graduate Admissions Panel, lead speaker, Fall 2022.

Council of Academic Programs in Communication Sciences and Disorders (CAPCSD), appointed to the Board of Directors, Vice-President of Program Resource Development, 2018-2020.

ASHA Convention: 2019 Academic and Clinical Education Models Topic Committee, appointed committee member, 2018-2019.

Master's Admission Attributes: Current Status and Missing Evidence; Appointed as a member of a colloquy to review and analyze data collected on this issue, Council of Graduate Schools (CGS), One Dupont Circle, NW, Washington. D.C., September, 2018.

LSVT Grant Reviewer, Member, Review Board, Scholarship for Small Student/Junior faculty Grant for Treatment Efficacy Studies with Neurologically Impaired Patients, May, 2018.

Council of Academic Programs in Communication Sciences and Disorders (CAPCSD), appointed to Conference Planning Committee, Member-At-Large, 2017-2018.
