Join us to hear Benjamin Munson, PhD., as he discusses “The Sociophonetics of Sexuality, Gender, and Gender Identity: Acquisition and Processing across the Lifespan.” Dr. Munson is a professor in the Department of Speech-Language-Hearing Sciences at the University of Minnesota, Twin Cities. An ASHA Fellow, he has authored numerous research and clinical papers and book chapters on speech-sound development. His current research focuses on speech-sound development and disorders, as well as acquisition and processing of socially meaningful linguistic variations.

When:
Monday, April 18, 2016
5:00-5:15 PM Registration & Sign In
5:15-6:45 PM Lecture & Discussion
