Please describe your interests and hobbies

Do you follow the news? What types of articles/publications most interest you?

What aspect of your school/job/family life/social life would be most beneficial for you to practice during your accent modification sessions (e.g., presentations, interview skills, “small talk” etc.)?

Do you often need to make presentations as a part of your work/academic studies? If so, what topics do you typically need to present on?

Do you manage/supervise others at your place of employment?
